**TO: Food and Drug Administration  
Dockets Management Branch**

**FROM: Catherine C. Evans**

**SUBJ: Bovine Growth Hormone, Docket #99P-4613**

I am writing to oppose the use of genetically engineered Bovine Growth Hormone on dairy cows.

Please do not incorporate this unhealthy, potentially dangerous, and inhumane (to animals) policy. Please act on Docket #99P-4613 to prevent this. Thank you for your consideration.
